Wonderful WORLD
SECOND EDITION

Explore the world with your students and discover its wonders – all while developing the English skills they need to become successful global citizens.

Through spectacular National Geographic video and inspiring photography, *Wonderful World,* Second Edition helps students travel the globe, learning about different countries, cultures, people and their customs.

Video lessons featuring authentic National Geographic content introduce the wonders of the world to your students.

Say it! activities relate lesson content to students' lives and get them talking.

Sing it! activities practise new language through song.

Captivating unit-opening activities engage, focus and inspire your students.

Sounds of English activities support pronunciation and sound recognition.

Revised vocabulary and exercise types improve alignment with the Cambridge English Qualifications exams.

More frequent Review sections consolidate your students' learning through additional practice.
