21st Century Communication

SECOND EDITION | CEFR: A2-C1 (CLB: 3-8)

BIG IDEAS INSPIRE MANY VIEWPOINTS: WHAT'S YOURS?

Lida Baker, Laurie Blass, Jessica Williams,
Lynn Bonesteel, Christien Lee

The Second Edition of *21st Century Communication* presents big ideas from TED and National Geographic Explorers to engage students in English. Each unit explores one idea from different angles to prompt students to think critically and express their own opinions, while teaching the skills needed to communicate with confidence. Through inspiring models of effective communication, students develop essential listening and speaking skills to achieve academic success for the 21st century.

New in this edition:

- A wide variety of real-world settings like virtual discussions, interviews, and academic lectures, provide students with models of confident communication in relatable situations.
- An expanded focus on academic notetaking, critical thinking, and 21st century life skills such as responsible decision-making, help students achieve their academic and personal goals.
- Carefully sequenced lessons develop comprehension, creative thinking, and collaboration skills to prepare students for the final presentation task.
- Online Practice brings the world to all classrooms with teaching and learning resources in one location, including graded practice activities, interactive eBooks, Classroom Presentation Tools, and customizable assessment.
