

Online Placement

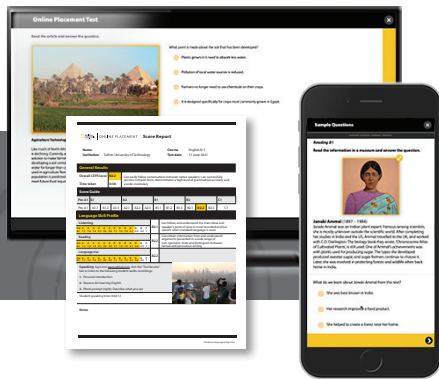

National Geographic Learning Online Placement helps institutions place each learner at the right English ability level and provides a pathway into National Geographic Learning materials. Our holistic approach to placement offers an adaptive test, auto-collection of speaking samples, and a skill-specific Score Report for each test-taker. Learners confidently begin their journey toward real-world success with reliable placement into one of fourteen proficiency levels correlated to the Common European Framework of Reference (CEFR) and features course-specific placement guides aligned to CASAS and NRS levels.
