B Listen and read. TR: 8.6

Hobby horses are toys for young children. A hobby horse is a horse’s head on a **stick**. But now in Finland, older children and **teenagers** are still playing with hobby horses. They are doing it as a sport—hobbyhorsing. You run, dance, and jump, the same as you can do on a horse, but you do it with a toy horse!

But do these children also like riding real horses? Yes, they do. Many of them are **interested in** horses. They practice so that they can jump very high and run fast, just like **real** horses! They practice walking like a horse. And if you like making things, you can make your own hobby horse.

C Read again. Write the correct word.

jump make sport
