## Indian Music and Dance

My name is Soumik Datta. My brother, Souvid, is a photographer. We live in England, but we were born in India. We wanted to learn more about dance and music in India, and we wanted to make a movie. So, in 2015, we visited India and saw more than 100 different musicians.

One group of musicians from Karnataka is famous for its dance called "The Kunitha." They wear colorful costumes and many of them play the drums. They sing and jump, too. All the men are farmers, but they love dancing.

We filmed their show. It was incredible! The dancers **carried** big drums and they **banged** them loudly. They all **shouted** and they kicked their feet. Then they played their drums quietly and some of the dancers **climbed** onto the drums to make a tower. Then they banged their drums quickly. It was very exciting.

You can watch these dancers playing their drums in one of our programs. We hope you enjoy it!

**C** Read the text again. What did Soumik and Souvid see? Circle the correct answer.

1. The dancers *carried* / *kicked* their drums to the field.
2. They *jumped* / *climbed* high in the air and *banged* / *kicked* their feet.
3. Then the dancers *banged* / *kicked* their drums loudly and *shouted* / *climbed* loudly, too.
4. Some dancers *climbed* / *carried* onto the drums.

**D** Read the text again. Correct the sentences.

1. Soumik's brother is a musician.
2. The dancers are all doctors.
3. They always play their drums loudly.
4. The show was boring.

Hi Toby,  
How are you? My weekend was fun! Yesterday was my sister Anna’s birthday!  
First, my mom and I went to the bakery to get Anna’s cake. My sister loves classical music, right? And she plays the violin. So we ordered a cake that was in the shape of a violin! Then, we met Anna and we had lunch at her favorite Chinese restaurant. The food’s amazing there! After that, we watched a great show called *The Magic Flute*. At the end of the day, we had some cake at home. Yum! Anna loved it! How was your weekend?  
See you soon!  
Uma
