

# Look and See

This *Look and See* Level 3 Pacing Guide has been developed as a guideline for how to administer instruction over the course of a thirty-six week school year. It is simply a guideline—ultimately, what to teach and how long you need to teach it will depend on your school’s goals, your individual goals, and your students’ abilities.

**Here is a general guideline for planning over the course of an entire school year:**
