

Use MyELT to complete assigned homework activities and access course resources.

CREATE A MyELT ACCOUNT & REGISTER FOR YOUR COURSE

1. Go to **myelt.heinle.com** and click **Create an Account**
You can change the language in the top corner.

For additional help, click the "How to create a student account" video tutorial.

2. Select **Student**

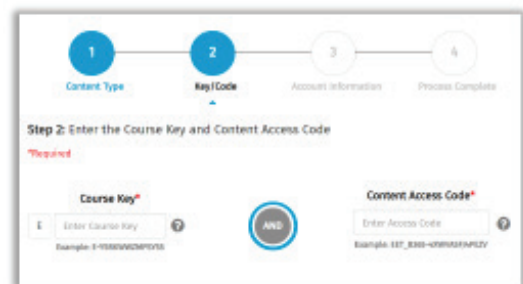

3. Select **Instructor-Led**

4. Enter your **Course Key** and **Content Access Code**

If you're not sure where to find these, ask your teacher

5. Add your information
Note: Choose a password you will remember
6. Review and accept terms of use & click **Finish**

Done! Click Start Using MyELT

Your account gives you access to

- Assignments
- Gradebook
- Additional course resources, including audio and video (available for select titles)
