

Match and trace.

A matching and tracing activity. At the top, there are four colored shapes: a yellow circle, a purple square, a pink star, and a green rectangle. Below these are two large, complex shapes made of curved lines, resembling stylized trees or abstract figures. At the bottom, there are six dotted shapes for tracing: a square, a triangle, a circle, a rectangle, a star, and a heart. Lines connect the colored shapes to the dotted shapes, suggesting a matching exercise.
