

One day, Anansi the spider is cooking a big dinner, but he doesn't have any yams, tomatoes, or pickles.

Anansi calls his friend Turtle for help.

yams
tomatoes
pickles

"Turtle, can you go to the store and buy these foods for me, please?" says Anansi. "Then you can eat dinner with me."

Turtle says, "Yes!"

Anansi starts cooking while Turtle goes shopping.

Facts About Recycling Cans and Bottles

Many foods and drinks come in bottles and cans. We eat the food and drink the drinks. But what happens to the cans and bottles when we are done? Old cans and bottles can be used to make other things. That is called **recycling**. Here are some things that are made from recycled cans and bottles.

Things Made from Recycled Cans

airplanes

computers

aluminum foil

Things Made from Recycled Bottles

backpacks

fleece clothes

playgrounds

In 2010, a boat made from 12,000 used bottles sailed from California to Australia. Now that's recycling!
