

# PACING GUIDES

One unit of *Pathways* typically requires 4.5–5 hours to complete. All ten units require approximately 45–50 hours.

By setting aside portions of each unit as homework, or by using extension activities and ancillaries, a *Pathways* unit can be adapted to suit various course durations. Here are some examples:

Total course length: 45 hours	Total course length: 60 hours	Total course length: 90 hours	Total course length: 120 hours
<b>30-week course:</b> 1 × 90 minute class per week	<b>30-week course:</b> 2 × 60 min classes per week <b>15-week course:</b> 4 × 60 min classes per week	<b>30-week course:</b> 2 × 90 min classes per week	<b>30-week course:</b> 4 × 60 min classes per week
