SPECIAL WEBINAR SERIES

ONLINE TEACHING SERIES FOR ENGLISH TEACHERS

National Geographic Learning is collaborating with The College of Education and Human Development at George Mason University to deliver a special three-part webinar series called Online Teaching for English Teachers. Drawing on their research and teaching experience, Drs. Joan Kang Shin and Jered Borup from George Mason University share practical tips for breaking through your screen and engaging your English language students in ways that improve their learning and makes your students feel part of a supportive learning community, even when attending classes online.
