### Verb + *-ing*

Sometimes you have two verbs together in a sentence, e.g. *I hate cooking*.

When a verb comes after *like*, *don't like*, *hate* or *love*, it is in the *-ing* form (you add *-ing* to the verb).

You don't add *-ing* to a verb that comes after other verbs, e.g. *want*, *plan*. After these verbs, you use *to* + the base form of the verb.
