Volunteers wanted!

We are the OVM group. We're looking for more volunteers to help us organize cultural and charity events at the university. We are a friendly team of volunteers. We enjoy helping other people and organizing events that make university life more interesting, for example, classical concerts in the university theater and charity events to help older people.

Every year, we look for new volunteers to join us when some volunteers leave the university. Everyone can come! You don't need to have any experience with events. You just need to have some free time and want to help. We also have fun in our volunteer group and learn a lot about life.

If you're interested in joining our volunteer group, come to room H10 in the South Building on Monday May 19, at 6 p.m. You can talk to the volunteers and learn more about the work we do. We will also have some soft drinks and food for everyone who comes.

If you have any questions before the event, you can email our group leader Mohammad Khan at mohammad.khan@ymail.com.

We're looking forward to seeing lots of you at the event!
