**5. Read the paragraph about the ani-mixes. Circle the correct word.**

An ani-mix is a weird combination two or more animals in a photo. For example, a 'turger' may be (1) **more good / better** than a tiger because its shell means that it's (2) **more easy / easier** to protect itself from hunters. On the other hand, it's (3) **more / the** difficult for a 'turger' to run fast because its shell is heavy. Some mixes are much scarier (4) **as / than** the 'turger', like the 'sharilla'. With its shark's head, I can't imagine it being (5) **more / as** popular as the gorillas we see in the wild. But some may think that normal animals are much (6) **more / –** boring!

**6a. Read.** Unscramble the words. Complete the sentences with the correct word. Then answer the questions using the words in **bold**.

<b>xim</b> <b>pioionn</b> <b>perrfoedm</b>
