Join Dr. Joan Kang Shin, a trainer of young learner teachers in over 100 countries, and a *Welcome to Our World, Explore Our World*, and *Our World Series* Editor, as she explores ideas, tips, and tricks for teaching English to young and very young learners.

Using short videos, presentation materials, and simplified teaching routines, with examples from real classrooms and interviews with real teachers, the *Our World* Professional Development site covers important topics for the preprimary and primary classroom, such as:

- Teaching reading and writing **NEW!**
- Teaching grammar and vocabulary **NEW!**
- Using songs, games, and puppets
- Planning successful lessons
- Managing classrooms
- Telling stories and managing projects
- Using video and technology
- Practicing 21st century skills
