

## Our World Professional Development

### Successful Lessons

#### Handout 6.2

#### 20 Make a diorama.

1. Work in a group of three.
2. Research some caves in the world.  
Choose one that interests you.
3. Learn how to make a cave diorama.
4. Find the materials you need.
5. Make the cave.

Our cave has both stalagmites and stalactites.  
It will make bats happy to live there.

#### Now I can . . .

- describe natural places.
- talk about safety rules.
- talk about feelings.
- write a chronological narrative.
