

***Our World* Professional Development**  
**Doing Project Work**  
**Handout 8.2**

In small groups, choose a project page from your *Our World* book and discuss how you would prepare for this project by answering the following questions:

1. What are the step-by-step directions?
2. What might be confusing to students?
3. What must I prepare ahead of time?
4. What do students need to bring from home?
5. How will students share this work?
6. What language and content can students practice with this project?
