Object: to be the first round the board.
Equipment: 1 game board and one spinner [online resource 3.52], per group.
One counter per player or pair.
Instructions:
• Put all the counters on Start.
• Children take turns to spin the spinner and say the number it lands on. They move their counter that number of places.
• If they land on an animal space, they say the name of the animal.
• If they land on a square with instructions, they should read them (aloud) and follow the instructions.
• The spinner is marked 1, 2, 3, 4, 5 and D for double. If they get D they have another throw and move double that number of spaces.
• The first child to reach End, wins. The other(s) continue until they reach End.
