

3.55

Name: _____

My test: Does it float or sink?

Draw the objects in the water. Use one colour for your *prediction* (guess) before the test, and then another colour after the test. Were your predictions correct?

3.55

Name: _____

Object	I think it		Test
			😊 or 😮 ?
	floats	sinks	
	floats	sinks	
	floats	sinks	
	floats	sinks	

Draw the objects in column 1; Circle the guess/prediction (*floats* or *sinks*) in column 2; After the test, tick (✓) *happy* or *surprised* in column 3.

3.55

Name: _____

Object	I think it		Test
	floats	sinks	 or  ?

Draw the objects in column 1; Write the guess/prediction (*floats* or *sinks*) in column 2; Draw a smiley or surprised face OR write the result (*floats* *sinks*) in column 3.
